A NOTE FROM YOUR CHORAL DIRECTOR

Dear Students, Family, and Friends,

Our busiest two months in the choral program have come to a close, and we are happy to announce all of our events were a major success!

HOLIDAY CONCERT: We had an amazing holiday concert and received so much good feedback on our first combined number with the band! We're looking forward to our spring concerts!

NORTHEAST SENIOR DISTRICTS: We had eight chorus students make the senior district chorus and had a successful time at the festival in Lowell at the beginning of January (Patrick Berry, Kelsey Brooks, Jude Poirier, Stelio Vatosios, Eden Hammerle, Olivia Perez, Eileen Vandewalle & Sam Montanari. We look forward to next year and hope to have even more students participate!

A CAPPELLA NIGHT: What a spectacular event! Thanks to all of the students, parents, and friends who helped make this night so special! We were fortunate to be only two seats shy of selling out our over 600-seat auditorium. The evening was a great financial and artistic success and we hope everyone will be involved next year as well!

ALL-STATES: Congrats to Patrick Berry who was selected to the MA All-State Chorus for the second year in a row! Patrick will sing at Symphony Hall in Boston this March at the all-state festival.

FALCONIZE & INGRID SOUND: Good luck to our a cappella groups the next two weekends in competition! This weekend, Ingrid Sound will compete at the N.E. Voices Festival at Wilmington Middle School. Next weekend, Falconize will compete in the New England semi-final for the International Championship of High School A Cappella.

Stay warm!
