A NOTE FROM YOUR CHORAL DIRECTOR

Dear Students, Parents, and Friends,

Thanks to everyone for a great beginning of the year for our choruses. The commitment of our singers is commendable, and I look forward to all of the performances we have this year.

Our big fundraiser, A Cappella Night, is scheduled for Saturday, February 8th. I will soon be contacting those parents who indicated on the informational sheet at the beginning of this year that they were interested in helping plan this event. Please keep an eye out for this communication.

Good luck to the students in Chorus auditioning for the Northeast Senior District Chorus in late November. We have many students auditioning this year who have worked extremely hard in preparation. No matter the results, we are proud of how much these students have grown as singers.

Our two a cappella groups continue to rigorously rehearse for their many performances and winter competition season. Please see the additional handout for dates of these events, and many others to come for the all chorus members.

Best,
Alex Grover
