A NOTE FROM YOUR CHORAL DIRECTOR

Dear Students, Parents, and Friends,

The returning and new talent of this year's choruses at Danvers High School is inspiring. I come to our beautiful new building everyday excited to work with the unique voices that have chosen to be a part of our growing choral program. Thank you to those who have participated in and supported our choruses at DHS in the past, and to those who are new and willing to offer their enthusiasm for the program's expansion.

I will send out a newsletter every month with updates and happenings of choral music at Danvers High. Please check our website, facebook, and twitter pages for updates as well. Feel free to email or call me at any time with questions, concerns, or ideas about moving our program forward.

Best,
Alex Grover
